

## 2012 SRM 15-18 Girls Acceptance Criteria

The 2012 SRM field will consist of approximately 39 players from the categories below, including additions, with spots being filled by applicants from these categories in numerical order. All applicants from categories 1-6 will be automatically accepted, regardless of the number. Once the field is full (accepting applicants in category 1 first, 2 next, and so on - using descending order within the category), the applicants from lower categories will not gain entry unless earning a spot through one of two qualifying rounds. Only the oldest age divisions of each tournament will be considered.

Additions:

- A. The entry committee reserves the right to exempt additional players.
- B. Anyone not in the top 35 of the listed entrance criteria can still gain entry through one of two 18 hole qualifiers( the first on Saturday, 4/28/12 and the second on Wednesday, 5/16/12 ), with each player being allowed only one qualifying attempt. There will be two spots in each qualifier, regardless of the number of applicants, making the size of the tournament field 39 players.

Example:

If 33 players apply from the first 6 categories, all of those applicants will be accepted (this includes any special exemptions granted by the entry committee). If eight other players have applied from category 7, then the first two of those will be accepted (based on the order of the criteria) to reach 35 total. The six other players in category 7 not chosen and the remaining players that meet the lower criteria will be ranked by the committee as alternates and will then only earn entry through a qualifier, or if their alternate spot is needed. The four spots being held for the qualifiers will bring the field to a total of 39 players. The field size may be reduced if the number of applicants from the nine categories is less than 39. If that is the case, the entry committee reserves the right to fill out the field with players not meeting any of the entrance criteria, and will base selections on a review of player applications. Each player's position within each category is determined by the order of each tournament listed. Using category 8 for example, the USGA Girls Jr. is first, the USGA Women's Amateur Public Links, the Doral Publix Jr. Classic third, the Arizona Silver Belle Jr. fourth, the Kathy Whitworth Invitational fifth, and the Callaway Junior World Championships is sixth.

Note : The SRM entry committee reviews the exemption criteria yearly and makes changes as necessary.

All entry committee decisions are final.
